Meat or Veg Thali

‘A little bit of everything, the Indian way.’

Our Indian Tapas Thali is a vibrant spread of small katoris inspired by the street stalls and kitchens of India. It features a mix of bold **chaats**, smoky **tandoori bites**, rich **curries**, fluffy **naan**, fragrant **rice**, and house-made **chutneys**.

It's a laid-back way to sample the best of Indian flavours — all in one beautifully balanced Thali.
